DENISE KOONTZ

- Denise -

To a really sharp girl who
has been a 'best friend' for
a long time. Remember all
the fun we have had, not
only this year but all through
high school. Don't forget
our trips to Columbus (flat
ties, wigs etc.). I hope
that we can always remain
close friends - even if we
will be attending 'rings'
colleges next year. Speaking
of college - I really don't
think the profs. will under-
stand you (or my) taking
off class time for a sunbath.
Good luck, Denise, in all
you do and may you find
true happiness!!

Love,
Jeanne

Havámál

The meaning of the HÁVAMÁL is the "Song of the High." It is the Norse code on the conduct of life in a long narrative saga in poetic form which illustrates the Viking rules of life. Expressed in the HÁVAMÁL are many subjects encountered in everyday life; such as man's happiness, the value of science, and the duty of cheerfulness and bravery. Other ideas warn that wealth is the most unstable of friends; that no man is without his faults; and cautions man not to neglect his friends.

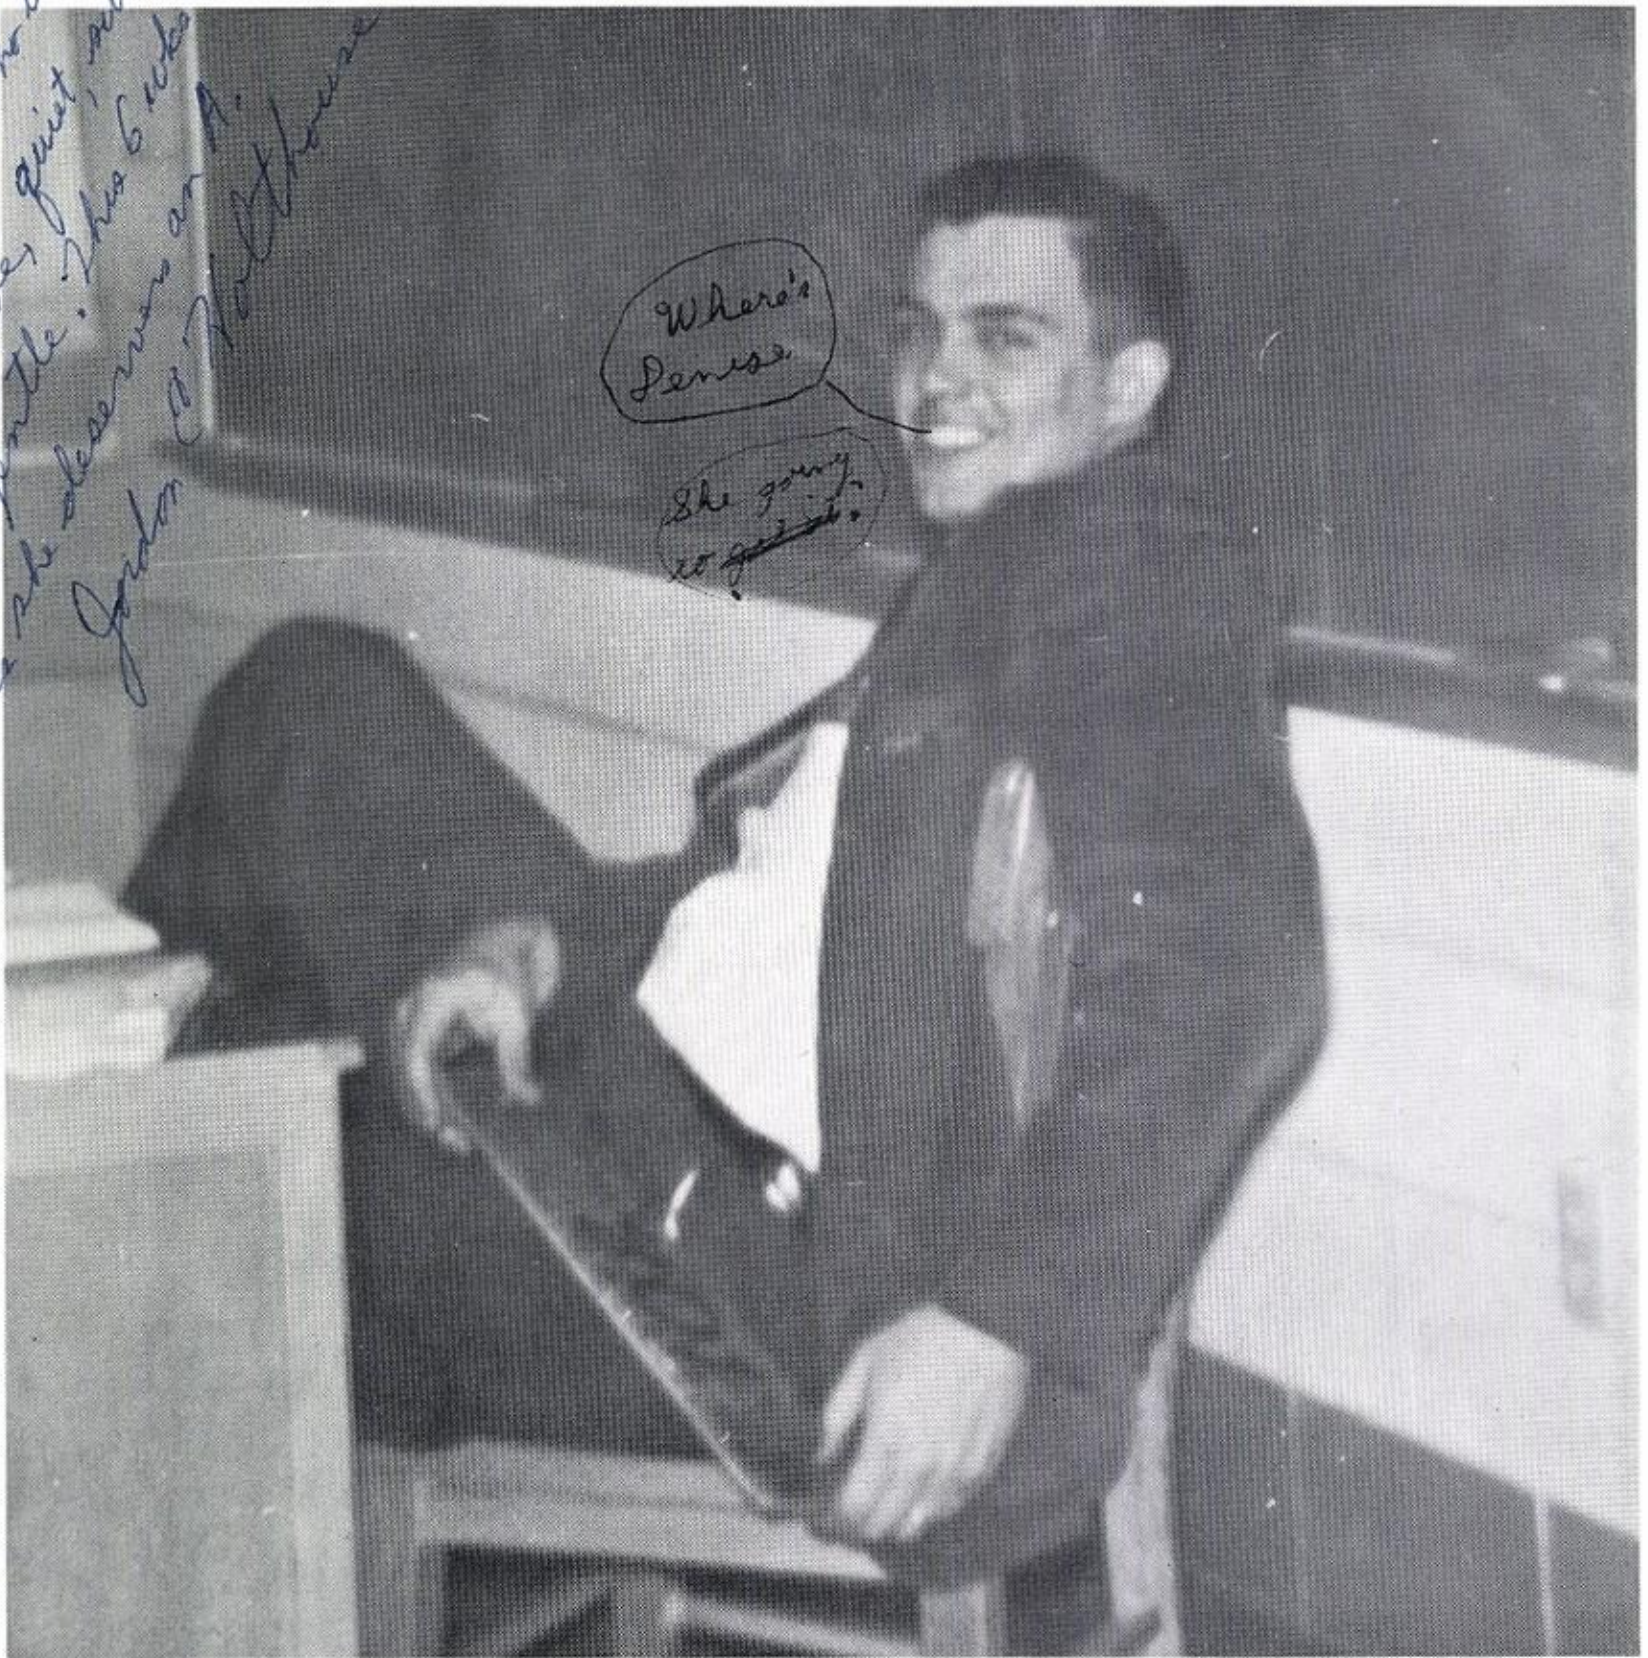

We have chosen the HÁVAMÁL as the theme for our annual because of the historical significance and its application to modern day living.

DEFLECTION

To the must girl in
 my algebra class who is
 very attentive,
 kind and gentle. I think
 she deserves an A.
 Jordan Holthouse

DICTATED
 BY D.K.

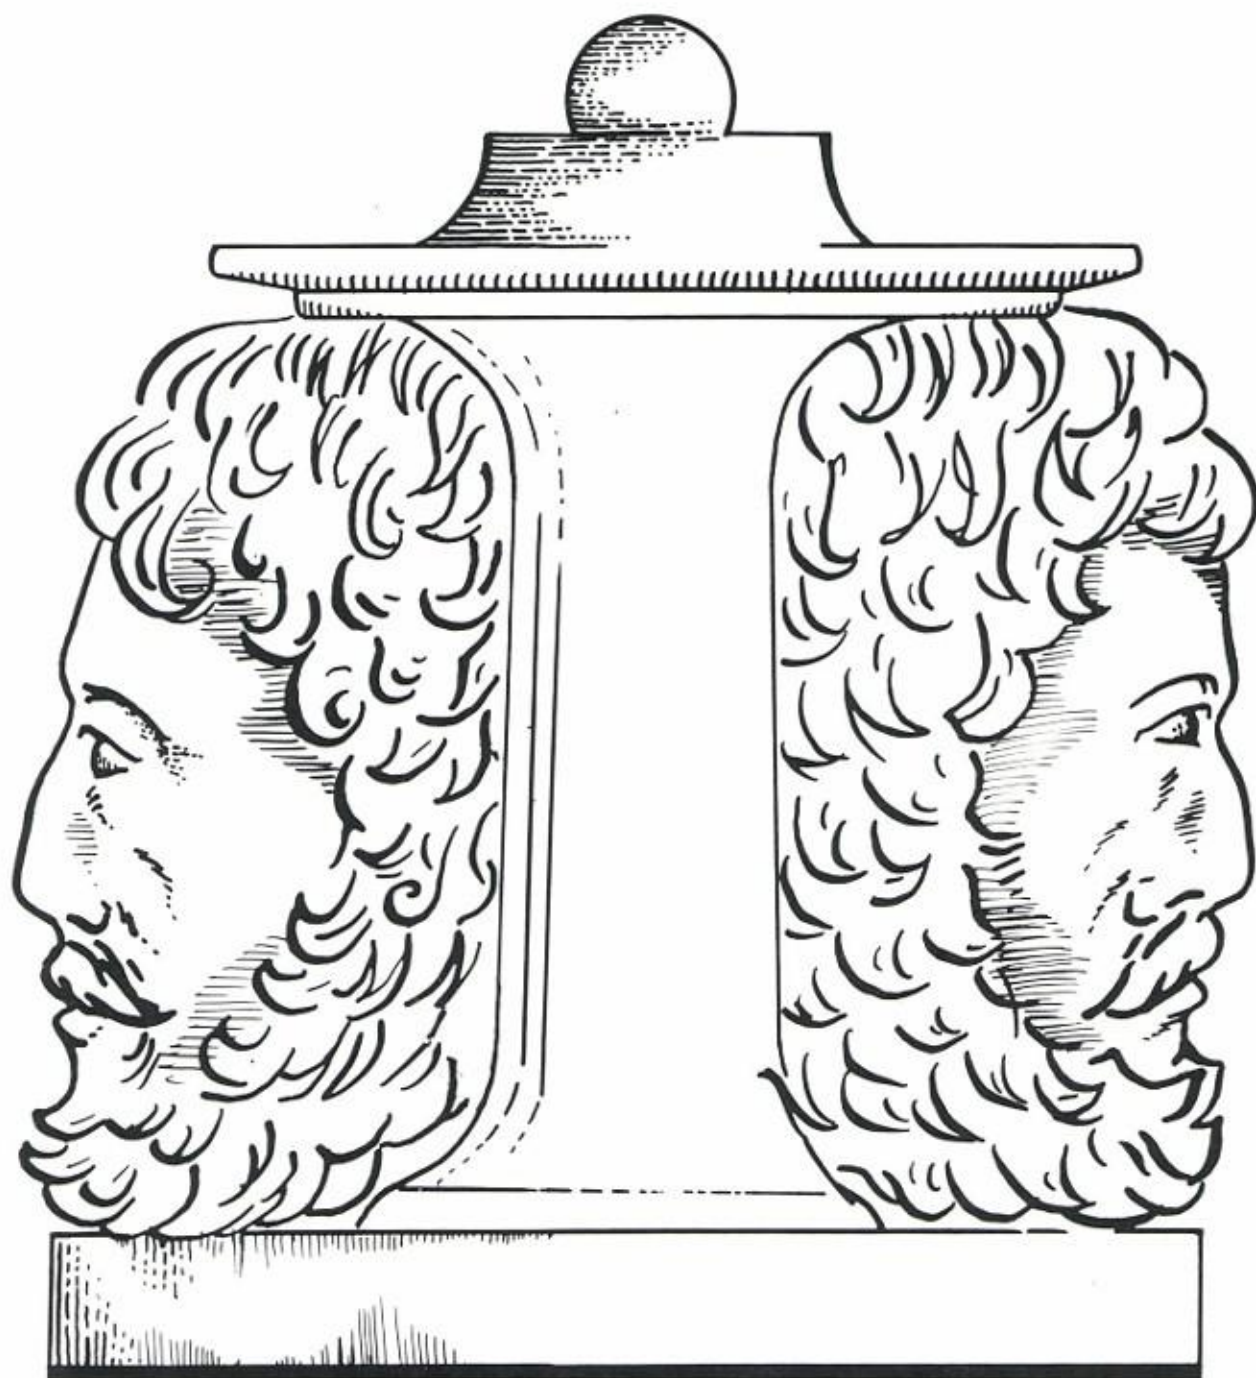

We, of the class of 1963, dedicate the Havamal to a teacher who has been with us for four and one-half years. He has been our class advisor since our sophomore year and without his help and guidance our Junior-Senior Prom would have been impossible.

The senior class would like to take this opportunity to say thank you to a wonderful teacher and a true friend by dedicating the 1963 annual to the man who has taught us our math, Mr. Jordan Holthouse.

We hope that he has enjoyed our classes as much as we have. When we affectionately call him "Mucher," he takes it in good humor. He also has given us sound advice in any crisis of our life.

The class of 1963 wishes Mr. Holthouse continued success and all the happiness in the world because we think he deserves the best.

Playing one of the toughest schedules in Plymouth history the Big Red ended up with a 5-5 record. Under our new coach, Richard Carpenter, the squad was in excellent physical shape. The Big Red was sometimes out-muscled but was never out-hustled. The school has a right to be proud of their football team because these boys represented their school well both on and off the field. We would also like to congratulate the nine seniors who have played their last game for Plymouth High School.

This year the Big Red basketball team had a 14-8 record. The season opened with the team showing much promise of being a topnotch ball club. Misfortune struck the team when three first string players were injured. But in spite of these set backs the Big Red began to jell near the end of the season and won seven of their last eight ball games. The Big Red won the Richland County Tournament, a fete not accomplished by a Plymouth team in 29 years. The team lost a hard fought overtime battle in the Sectional Tournament. Despite all its hardships the basketball team of 1963, are champions in the true sense of the word.

Denise,
 To a girl who
 deserves the best
 of everything in
 life. Remember
 the times we had
 in high school especially
 that time when we
 put perfume on the

 always in the future.

Denise,
 To a real nice girl, who
 I hadn't really got to know
 until this year. I'm sure
 going to miss you + algebra

 all that you may try to do.
 May you have all the hap-
 piness in the world. You
 deserve it.
